

Baptism Information Sheet

You have made an important decision! Here is what you need to know:

- Time: Sunday,_____. The Baptisms are in the morning worship services at 9 am or 11 am. You have chosen the _____ service.
- Everyone being baptized needs to meet in the back hallway behind the stage in the Main Auditorium (entrance/door to the left of the stage) **8:30 am for the 9:00 am service, or 10:30 am for the 11:00 am service.** This meeting will give you a brief orientation and a review of scriptures explaining why it is important to be baptized. It will also let you know the process of how the baptism service will occur.
- We ask that you come dressed in a regular shirt and dark pants or long shorts. Jeans are fine. When you arrive, you will receive a t-shirt to wear during the baptism and to keep as a memento of your baptism.**

Items to bring:

- A change of clothing to wear for service. (You will change after your baptism and rejoin the congregation for the remainder of the service.)
